

## Portola Valley Crime Statistics 2010-October, 2017

Overview: This document provides residents of the Town of Portola Valley with a multi-year record of home burglaries and vehicle break-ins. Its purpose is to build awareness of the historical incidence of crime in town and to encourage residents' active participation in its prevention. These statistics are provided by the Town's law enforcement agency, the San Mateo County Sheriff's Office (SMC SO).

This document primarily includes only home ("Res") and vehicle ("Veh") *burglary* incidents in the Town of Portola Valley. These incidents are characterized by the entry of a person or persons into a home or car with intent to commit theft. It does not include all criminal incidents, such as, property theft, vandalism, speeding, DUI (driving under the influence), ID (Identify) theft, and commercial burglaries. Nor does this document include incidents in the unincorporated San Mateo County areas of Ladera, Los Trancos, and Vista Verde, which share the 94028 postal zip code and for which SMC SO also provides law enforcement.

Of note, data in calendar year 2016 includes two "armed home invasion robberies." These *robbery* incidents, which involved the illegal entry into occupied, private dwellings with intent to commit a crime against the occupants, are very rare in Portola Valley, according to the SMC Sheriff's Office.

Additionally, this record does not include attempted burglaries. Of note, on December 20, 2016, (on Ramoso Road) and on January 19, 2017 (in the 100 block of Golden Oak Drive), two attempted burglaries were successfully interrupted by alert residents and SMC Sheriff's Office deputies, who arrested the suspects.

Incident Source: San Mateo County Sheriff's Office

"PC" refers to the California Penal Code (PC).
