Appendix A

INTERMEDIATE PARCELS:

The remaining parcels on the list warrant more than benign neglect, but do not need as much attention as most important group.

Because they are so different one from another, each will need an individualized oversight and maintenance plan. Thereafter, these should have a review every few years and suggestions for remediation or maintenance made as needed.

We anticipate having action plans for these parcels in time for 2019 – 20 FY.

- #26 Blue Oaks/Los Trancos Neighborhood pond.
Murphy / Walz

- #32 Dengler.
Heiple / Magill

- #33 Shady Trail parklet.
Bourne / Plunder

Roadside strips (with perhaps next year extension of recommendations to major median strips) Chiariello / Eckstrom
