

COMMUNITY HIKE

Saturday November 3, 2018 at 9am

Please join our PV Trails Committee and hike another of our beautiful town trails!

Meet in the parking lot next to the small Triangle Park at the corner of Alpine and Portola Roads.

We will walk Alpine Trail West towards Corte Madera School, and continue to the Sweet Springs trail. We will go up Sweet Springs to connect to Deer Path trail and walk Deer Path until we reach Indian Crossing trail. We will go down Indian Crossing to Alpine Trail and then head back to Triangle Park.

These trails can be a bit steep and narrow in parts but take us into some beautiful areas. A moderate hike for all ages. Dogs (on leash) are invited to join us. **The walk is 2 miles** and approximately an hour to an hour and a half to complete.

Please join in! Our trails are a wonderful benefit to the town!
