*This meeting will be conducted in compliance with the Governor's Executive Order N-25-20 issued on March 12, 2020, and N-29-20 issued on March 18, 2020, allowing for deviation of teleconference rules required by the Brown Act. On Thursday, March 19, Governor Gavin Newsom issued a statewide stay-at-home order to protect the health and well-being of all Californians. In an effort to reduce the risk of spreading Coronavirus (COVID-19), members of the Architectural and Site Control Commission, Staff, and applicant will all participate via teleconference. The purpose of this is to provide the safest environment for officials, staff, and the public while allowing for public participation.
