NOTICE OF MEETING CANCELLATION

FINANCE COMMITTEE MEETING

August 11, 2022 at 3:00 p.m.

The August 29, 2022 Finance Committee meeting is canceled.

The changes to be proposed for the September Revision are not significant enough for a meeting of the body; staff is working on some additional revenue streams that will not be completed until later this year, and we will be recommending to the Town Council a mid-year revision that better reflects such work (as well as trends in both revenue and expenditures) over the course of a fiscal year that are less identifiable over the summer after the budget is approved.
