1. First and Last Name

Karen Vahtra

2. Email address (will not be publicly displayed)

3. Organization (Enter name of organization, business, or non profit if you are submitting comments on their behalf.)

Not answered

4. Comment (If you are uploading a document with your comments you do not need to copy them here also)

As a policy, the 2023 Safety Element needs to be at a minimum equal to or stricter than the 2010 Safety Element. One rule has been relaxed:

4151 2. Prior to the approval of any subdivision of lands in an area of high fire risk, the planning commission should review the results of a study that includes at least the following topics:

has now been relaxed in the current draft to

P-38 Prior to the approval of any subdivision of lands in a Very High Fire Hazard Severity Zone, the Planning Commission should review the results of a study that includes at least the following topics:

5. Optional: You can upload a copy of your comments.
