

# Free Money for College

## Through the CalKIDS Program

Give your child a jumpstart in saving for college through CalKIDS, a new children's savings account (CSA) program administered by the State of California.

CalKIDS provides newborns up to \$100, and eligible public school students identified as low-income, foster youth, or experiencing homelessness with up to \$1,500 in a CalKIDS account for higher education and career training.

CalKIDS Town Hall  
with Fiona Ma, CPA  
State Treasurer

**February 28**

**6:00-7:00PM**
