

Save up to 30% on a SolarCity
Power system for your home

Solar Power Systems For Your Home. For Less.

Join your neighbors in **SolarCity's Collective Power Program** offering Portola Valley and Ladera residents an incentive to move their community towards energy self-sufficiency and significant savings in electrical bills. Under this program, homeowners will receive a unprecedented 30% discount.

Save the Environment: Go solar and you will reduce demands on pollution-creating power plants.

Succeed as a Green Community: Portola Valley and Ladera residents are known as innovators and leaders. Go Solar and become the first Solar City.

Save Money: Go solar to eliminate costly utility bills and protect yourself from future electrical rate increases.

Attend an upcoming workshop to understand the basics of solar. Also hear from local residents about solar's environmental contributions and financial return.
