Old La Honda Skyline	10/27/15
Skywood – Bear Gulch Rapley Trail	11/02/15
Woodside West & North	11/9/15
Alpine Hills	11/16/15

THE CHIPPER PROGRAM

What is the Chipper Program?

The Chipper Program is a free hazardous fuel reduction program to help decrease our community's threat from wildfire. With a grant from Fireman's Fund, Woodside Fire purchased a wood chipper, which is used to chip vegetation removed by homeowners. The goal is to assist residents in creating defensible space around their homes.

How can I participate?

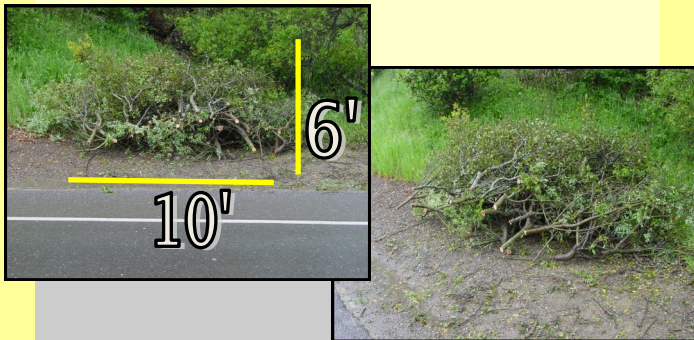

All we ask is you stack your material along the roadside (following the guidelines). Your neighborhood will be assigned a designated day when chipping will take place. No need to sign up.

Who will do the chipping?

The chipping is conducted by WFPD & Ben Lomond Camp inmate crews.

Stacking Requirements:

- ◆ Cut ends out facing street
- ◆ Pile no larger than 10' x 6'

Help Us Turn This

Into

Before it Becomes

Size and stacking procedures?

Vegetation should be piled along the roadside with cut ends facing towards street. Please limit pile to 10'x 6'. Material will be chipped back onto site where appropriate.

Please do not obstruct the roadway when stacking your material

What can be chipped?

Brush & tree limbs up to 8". Material can not contain nails, screws or wire as it can damage the chipper.

The chipper cannot chip Eucalyptus bark, vines or poison oak

When is the chipper coming to my neighborhood?

Visit www.woodsidefire.org to find a street schedule or call WFPD @ 650-851-1594 or 650-423-1405 to find out when the chipper will be in your neighborhood.

Woodside Fire Protection District (WFPD) in conjunction with the Town of Portola Valley & The Town of Woodside

MISSION STATEMENT

It is the mission of the Woodside Fire Protection District to protect life, property and the environment through prevention, education, preparedness, and emergency response.

To Prevent a Catastrophic Wildfire

By Reducing the Vegetative Fuel Load

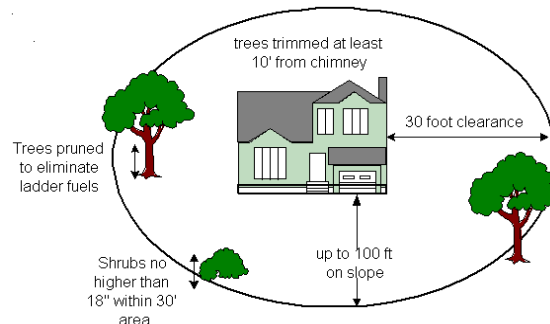

The Chipper was provided by a grant from

MISSION STATEMENT

To maintain the quality of life and property for the citizens living in the wildland urban intermix zones of San Mateo County. Working together, we can achieve effective fire protection, education and planning.

Protect Your Property With Defensible Space

For larger parcels also clear your property 30' at the perimeter of property lines

YOU CUT IT - WE'LL CHIP IT!!
