(Attach a letter of authorization from the property owner if signed by an agent.)

Please submit a check payable to San Mateo County or call to pay by credit card with this review application. It is the responsibility of the applicant to verify this form is current and to submit a check amount that reflects the current fee as Division fees are subject to change annually. Please visit smchealth.org/ehfees for current Division Fees. This application is for Environmental Health Services staff Planning/Building review (and field visits needed as part of review) only. Approval of Planning and/or Building Applications is not a permit to construct a well or septic system. Additional permits and field inspections by County staff for installations, certifications or destructions will require appropriate applications and fees.
